### Tottenham Hotspur Announces £100 Million Capital Injection

Tottenham Hotspur Limited (the "Club") announces that its majority shareholder, the Lewis Family Trust, through ENIC Sports & Development Holdings Ltd ("ENIC"), has injected £100 million of new equity capital into the Club.

This capital injection will strengthen the Club's financial position and provide additional resources to support its long-term sporting and commercial strategy. The funding underlines the Lewis family's ongoing commitment to the Club and its future development.

Peter Charrington, Non-Executive Chairman of Tottenham Hotspur, commented:

*"As I stated recently, our focus remains on stability and empowering the management team to deliver on the Club's ambitions. The Lewis family share this ambition and today's commitment reflects their confidence in the Club's long-term future. On behalf of the Board, I thank them for their continued support. We remain committed to ensuring that the executive team, led by Vinai, has the resources required to deliver sustainable success both on and off the pitch."*
