# Selling shares on Asset Match

To sell shares on Asset Match, you will need to use a stockbroker.
Do you have a stockbroker?

**Yes**

1) Contact your broker and confirm that you want to sell shares in "Integrafin Holdings Ltd" on the Asset Match platform, the number of shares you'd like to sell and the minimum price that you'd be willing to sell at.
Your broker will need to contact Daniel Stewart & Company (our nominated broker) to place the order on your behalf.

**No**

There are many UK stockbrokers but we would suggest opening an account with our nominated broker, Daniel Stewart & Company Plc. (DSC).
Please contact them via:

Daniel Stewart & Company Plc, 33 Creechurch Lane, London EC3A 5EB
Tel: +44 (0) 20 777 66 550
Email: sophie.lampshire@danielstewart.co.uk & michael.barker@danielstewart.co.uk

1. Request an account opening form from DSC or use the PDF version supplied on our site.
2. Please complete the form when you receive it or complete the electronic version attached, and return it to Sophie Lampshire at DSC, together with your supporting identity documents by post.
3. Once your account has been opened, please contact the DSC team using the details above and confirm that you'd like to sell shares in "Integrafin Holdings Ltd.", the number of shares that you want to sell and the minimum price that you would be willing to sell at.
4. You will also need to sign a stock transfer form and send on your original share certificate by post. This should be sent to DSC or to Rohit Nanda at Asset Match (address details for both are detailed above), so that your order can be confirmed and to prove ownership of the shares.
5. Once your ownership has been confirmed, the order is passed over to the Asset Match platform to be added to the order book.
6. When the auction closes, you will be sent a contract note by DSC which contains details of your sell order including: the price that your shares sold at, the number of shares sold and the costs of selling your shares.
7. Once your forms have been processed by DSC and the trade is settled, your DSC account will be credited with monies received from the buyer of your shares less any applicable charges and commissions as outlined in the contract note.

# Buying shares on Asset Match

To buy shares on Asset Match, you will need to use a stockbroker.
Do you have a stockbroker?

**Yes**

1) Contact your broker and confirm that you want to buy shares in "Integrafin Holdings Ltd" on the Asset Match platform, the number of shares you'd like to buy and the price that you'd be willing to buy at.
Your broker will need to contact Daniel Stewart & Company (our nominated broker) to place the order on your behalf.

**No**

There are many UK stockbrokers but we would suggest opening an account with our nominated broker, Daniel Stewart & Company Plc. (DSC).
Please contact them via:

Daniel Stewart & Company Plc, 33 Creechurch Lane, London EC3A 5EB
Tel: +44 (0) 20 777 66 550
Email: sophie.lampshire@danielstewart.co.uk & michael.barker@danielstewart.co.uk

1. Request an account opening form from DSC or use the PDF version supplied on our site.
2. Please complete the form when you receive it or complete the electronic version attached, and return it to Sophie Lampshire at DSC, together with your supporting identity documents by post.
3. Once your account has been opened, please contact the DSC team using the details above and confirm that you'd like to buy shares in "Integrafin Holdings Ltd", the number of shares that you want to buy and the price that you would be willing to buy at. You will also need to fund your account to allow your buy order to be placed.
4. Once your funds have been received, the order is passed over to the Asset Match platform to be added to the order book.
5. When the auction closes, you will be sent a contract note by DSC which contains details of your buy order including: the price that your shares were purchased at, the number of shares purchased and the costs of buying your shares.
6. You will also be sent a stock transfer form to complete and return to DSC
7. Once your forms have been processed by DSC and the trade is settled, your DSC account will be debited with monies associated with buying the shares less any applicable charges and commissions as outlined in the contract note.
8. You will then be sent a share certificate confirming you as the beneficial owner of the shares.
